AMENDMENT

Sir:

Applicant acknowledges that an Office Action dated October 28, 2003, pertaining to the above referenced patent application has been received. Please amend the application as follows.

In The Drawings:

Attached with this communication is a set of formal drawings in response to the objections raised in the draftsman's report. Specifically, this new set of drawings show clear and defined lines. Also, the size of Figure 1 has been reduced so as to comply with the margin requirements set forth in the draftsman's report.

Also, attached for the Examiner's review, is a proposed drawing correction for Figure 4 in which the self-propelling
